Return to Flight update released

An update to "NASA's Implementation Plan for Space Shuttle Return to Flight and Beyond" has been released. The plan is periodically updated to demonstrate progress toward safe return to flight and implementation of the Columbia Accident Investigation Board recommendations. To read the update, go to http://www.nasa.gov/pdf/58541main_RTF_rev2.pdf or go to <http://www.nasa.gov/home/index.html>.

E-mail changes go into effect Monday. See 'Inside Marshall'

Photos from 'Take Our Children to Work Day' available Tuesday-Thursday, Bldg. 4200 lobby

Export control management and updates courses open

A course on Export Management and an Export Control Update will be offered this week at the Marshall Institute. "Introduction to Export Licensing and Technology Management" will be Tuesday-Thursday. "Export Current Events and Updates" will be Friday. Both courses will be from 8 a.m.-4:30 p.m. in Room 714 at the Institute. For more information, call Vanita Brown at 544-2476 or see "Inside Marshall."

New security procedures, guidelines posted for Marshall

New security procedures and guidelines for the Marshall Center have been posted to the Integrated Document Library. All Marshall civil servants and contractors should become familiar with them. See "Inside Marshall."

May is Asian Pacific American Heritage Month
